## THE OVERCOMER COURSE *for Young Adults*

A major life transition takes place during the young adult years—from dependence to independence, education to vocation, and being single to (perhaps) married. The convictions developed and decisions made during this crucial time sets one's course for years to come.

In eight interactive sessions over two days addressing life's most important issues, The Overcomer Course is designed to help young adults gain clarity and conviction on God's plan and their purpose in it.

Check out the schedule registration information below. \$99 registration fee is all-inclusive of meals, course notes, gift bag of resources, and t-shirt. To foster personal connection, the course is limited to 40 young adults aged 18-28. Between sessions: activities, free time, table games, espresso coffee cart, cookouts, trail walks, bonfires, and more.

Stone House Farm is located just 40 minutes from Minneapolis-St. Paul International Airport. Many lodging options within short driving distance of farm.

*God's purpose for your life is to be an Overcomer!*
