THE OVERCOMER COURSE *for Young Adults*

Jesus is the model of an Overcomer and His call is for you to be one, too! An Overcomer is a genuine Christ-follower who prevails over the tests and trials of life through the supernatural resources God provides.

An important life transition takes place during the young adult years. The convictions developed and decisions made during this crucial time sets one's course for years to come.

In eight interactive sessions over two days addressing the most foundational issues of life and faith, The Overcomer Course will help you gain clarity and conviction on God's will and how to pursue His call to be an Overcomer.

Between sessions, enjoy fellowship, food and fun at the farm, including activities and games, cookouts and espresso bar, trail walks, bonfires, and more!

\$99 registration includes all meals, course notebook, gift bag of resources, and t-shirt. To foster personal connection, the course is limited to 40 young adult men and women, ages 18-28. Stone House Farm is located just 40 minutes from Minneapolis-St. Paul airport. Many lodging options are a short driving distance from the farm.

God's purpose for your life is to be an Overcomer!
